The Albany Berkeley Girls Softball League (ABGSL) provides recreational softball teams open to all girls in 1st through 9th grades. The League emphasizes sound skill development, fun, and participation for every player, regardless of skill or previous experience. Many graduates of the League go on to play softball at the tournament team, high school, and collegiate levels. This year there are 25 teams, with approximately 300 girls, 50 coaches and hundreds of parent volunteers.
