**Note: These abbreviations are unique to ABGSL.** Maps may be found at <http://www.abgsl.org/fields.html>. Call the hotline 510-869-4277 for field closure information. **Never** use a closed field, even for personal use. The league will be fined \$1000 and may lose permits.

**Field Sharing Abbreviations:** Fields may appear on team schedules suffixed by a "1" or a "2". This means that 2 teams are sharing the field; the team whose schedule has a "1" starts in the infield and the team with a "2" starts in the outfield. Half-way through the teams switch. Coaches are free to work out other arrangements when fields are shared (e.g., a joint practice).
